RE: OFFICIAL NOTICE OF APPEAL-DOCKET #AP 2019-1209

Dear Parties:

**Please review this information carefully as it affects your legal rights.**

The Office of Open Records ("OOR") received this appeal under the Right-to-Know Law ("RTKL"), 65 P.S. §§ 67.101, *et seq.* on **July 22, 2019**. This letter describes the appeal process. A binding Final Determination will be issued pursuant to the timeline required by the RTKL. In most cases, that means within 30 calendar days. The OOR's Final Determination is currently due on **August 21, 2019**.

**OOR Mediation:** This is a voluntary, informal process to help parties reach a mutually agreeable settlement on records disputes before the OOR. To participate in mediation, both parties must agree in writing. The Parties agreement to mediate stays the Final Determination Deadline. If mediation is unsuccessful, both parties will be able to make submissions to the OOR, and the OOR will have 30 calendar days from the conclusion of the mediation process to issue a Final Determination, unless the Requester agreed to an additional 30 calendar day extension on the appeal form.

**Note to Parties:** Statements of fact **must** be supported by an affidavit or attestation made under penalty of perjury by a person with actual knowledge. Any factual statements or allegations submitted without an affidavit will not be considered. The agency has the burden of proving that records are exempt from public access (*see* 65 P.S. § 67.708(a)(1)). **To meet this burden, the agency must provide evidence to the OOR.** The law requires the agency's position to be supported by sufficient facts *and* citation to all relevant sections of the RTKL, case law and OOR Final Determinations. An affidavit or attestation is required to show that records do not exist. Blank sample affidavits are available on the OOR's website.

**Submissions to OOR:** Both parties may submit information and legal argument to support their positions by **11:59:59 p.m. on August 1, 2019**. The record closing date is seven (7) business days from the date of this letter unless the proceedings have been stayed for the

parties to submit a completed mediation agreement form, then the record will remain open for seven (7) additional business days beyond the mediation agreement submission deadline. *Submissions sent via postal mail and received after 5:00 p.m. will be treated as having been received the next business day.* The agency may assert exemptions on appeal even if it did not assert them when the request was denied (*Levy v. Senate of Pa.*, 65 A.3d 361 (Pa. 2013)).

**Include the above docket number on all submissions related to this appeal. Also, any information you provide to the OOR must be provided to all parties involved in this appeal.** Information shared with the OOR that is not also shared with all parties will not be considered.

**Agency Must Notify Third Parties:** If records affect a legal or security interest of an employee of the agency; contain confidential, proprietary or trademarked records of a person or business entity; or are held by a contractor or vendor, **the agency must notify such parties of this appeal immediately and provide proof of that notice by the record closing date set forth above.** Such notice must be made by (1) providing a copy of all documents included with this letter; and (2) advising that interested persons may request to participate in this appeal (*see* 65 P.S. § 67.1101(c)).

Commonwealth Court has held that “the burden [is] on third-party contractors ... to prove by a preponderance of the evidence that the [requested] records are exempt.” (*Allegheny County Dep’t of Admin. Servs. v. A Second Chance, Inc.*, 13 A.3d 1025, 1042 (Pa. Commw. Ct. 2011)). **Failure of a third-party contractor to participate in an appeal before the OOR may be construed as a waiver of objections regarding release of the requested records.**

**Law Enforcement Records of Local Agencies:** District Attorneys must appoint Appeals Officers to hear appeals regarding criminal investigative records in the possession of a local law enforcement agency. If access to records was denied in part on that basis, the Requester should consider filing a concurrent appeal with the District Attorney of the relevant county.

**Public Record Notice:** All dockets, filings and OOR orders and opinions in this appeal will be public records and subject to public access with limited exception. The OOR’s Final Determination will generally include a summary of the case including the identity of the parties and the relevant factual background. Final Determinations are available on the OOR’s website and searchable on-line.

If you have general questions about the appeal process, please contact the OOR at (717) 346-9903. If you have questions specific to your appeal, please email the assigned Appeals Officer (contact information is enclosed) - and be sure to provide a copy of any correspondence to all other parties involved in this appeal.

Sincerely,

Erik Arneson  
Executive Director

## RTK APPEAL

RECEIVED

JUL 22 2019

OFFICE OF OPEN RECORDS

Executive Director, Office of Open Records  
333 Market Street, 16th Floor  
Harrisburg, PA 17126-0333

July 16, 2019

This is a follow up to a previous request:

I am formally appealing this denial under the Right to Know. The denial letter sent by the records office is that there are "no responsive records" and at the same "the records are not ours".

However, under the Right to Know, the agency does not raise that they are not in possession of the record nor do they assert that the records are "privileged" or "confidential". They do not state they are not public records under RTK. They also do not assert the information's "(2) the disclosure of which would cause substantial harm to the competitive position of the person that submitted the information." Furthermore, they do not assert that the records are a "(b)Requests for trade secrets" and have not provided any such "written statement signed by a representative of the third party that the record contains a trade secret or confidential proprietary information".

Therefore, I assert that they agency has waived their ability to exempt the records under the Right to Know act.
